Message from the Founder

Dr. Saji. K. John & Mrs. Cynthia John

*Founder and Co-Founder of
John's Leadership Institute
Hyderabad.*

The work of John Foundation began when my wife Cynthia and I accepted two girls, 9 and 7 years old, who were brought to our home by a local pastor and asked if we would be willing to take care of them. These two girls were abandoned on the streets of Hyderabad by their own parents. Though both of us had full-time jobs at that time, we accepted these girls into our home, and what began with these girls has grown, and today we have:

- 31 children's homes with 310 children living with us on our three campuses,*
- 695 children of single moms whom we help by paying their school fees,*
- 710 children in our 29 tuition centers for children whose parents can't read and write,*
- Three technical institutes with 1350 young people trained every year in 20 government-certified and recognized employable skills,*
- Two schools with nearly 1000 students,*
- Six businesses that help support the operational costs of the above ministries.*

John's Leadership Institute started when a post-graduate student walked into our office in 2011 and said he wanted to study the Bible. He had come to know Christ from a non-Christian background and was kicked out of his home because of his faith. We told him we have no Bible college, but he pleaded that he wanted to study the Bible and plant a church in his community. This led us to start JLI in 2011 with 12 students coming mostly from non-Christian backgrounds.

Since 2011, we have been training anywhere between 35 to 50 students every year in John's Leadership Institute. JLI is ATA-accredited, and thus we have high academic standards, but our emphasis has been more on practical training and mentoring of students through pastors who have pioneered churches and have many years of teaching and pastoral experience. We also provide the students the opportunity to be trained in various government-certified skills, which not only helps them in connecting with the local community but also provides them with the needed income to sustain themselves long term in their area of ministry.

So, we invite you to come and be part of JLI, where your calling is affirmed, and you are equipped to advance His Kingdom.

Yours Because of Him,
Saji & Cynthia John

Welcome note from the Principal

Rev. Dr Karra Nehemiah

*Principle,
John's Leadership Institute
Hyderabad.*

Greetings in the name of our Lord Jesus Christ,

John's Leadership Institute (JLI), Hyderabad, exists to train young men and women to plant biblically sound, growing, and sustainable churches, especially among unreached communities. Guided by this vision, we equip students who are passionate about church planting with strong biblical foundations, practical ministry training, and employable skills that help them build community relationships and sustain themselves financially. At JLI, we emphasize spiritual formation, disciplined learning, and hands-on ministry to prepare effective and faithful servants for God's Kingdom. We invite you to prayerfully consider JLI as a place where your calling can be shaped and your ministry prepared for lasting impact.

*With prayers and blessings,
Nehemiah Karra*

HISTORY of JLI

- John's Leadership Institute (JLI) has gone through several changes in both name and location, while keeping our calling and central vision clear, i.e., to provide quality theological education to young men and women to become outstanding Christian educators, leaders, pastors, church planters and powerful witnesses in India.
- JLI was established in 2011 with the name "Asha Church Planters Training Program" at Alwal, Hyderabad. The thought to establish a Bible Training Centre sparked in the heart of Dr. Saji K. John, who was the founder of JLI, because of an incident that took place at our founder's office in the year 2010. A young post-graduate and a recent convert from a Brahmin background was forced to leave home due to this faith in Christ and the burden to plant a church in their community. This young man came to Hyderabad hoping to study the Bible in any Bible College.
- However, none of the Bible colleges accepted him because he didn't have any money or his certificates, due to the circumstances in which he left home. Fortunately, someone guided him to meet Dr. Saji, and he explained his story, expressed his deep desire to minister to his community and requested to be academically trained and equipped for this task. However, at that time, we didn't have a Bible College, but we had two evangelism teams.

- So, Dr. Saji prayed about it and thought to start a Bible Training Centre along with accommodation for young men and women who are kicked out of their homes due to their faith and want to plant a church in their community.
- So, due to the incident of a young Brahmin convert, the “Asha Church Planters Training Program” was established in 2011 with 12 students offering a one-year diploma course. In 2018, a two-year B.Th program in the vernacular language was introduced under the name “Asha Bible College”. Now, in 2025, it has evolved into John’s Leadership Institute (JLI) and has been accredited by the Asia Theological Association (ATA). We are now offering two ATA-accredited courses: Dip.Th program of two years and the B.Th program of three years. And what began with that incident continued all these years, and we are grateful for the hundreds of students whom we were able to train over these years and send them out into church planting ministries.

MISSION STATEMENT

To train young men and women who are passionate about church planting and empower them with employable skills that will help build community relationships and help sustain themselves financially.

VISSION STATEMENT

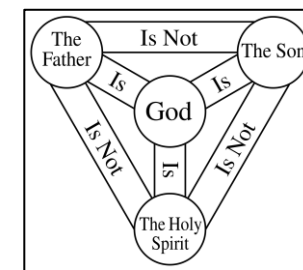

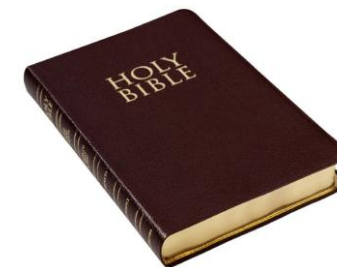

To train young men and women to plant churches that are biblically sound, growing and sustainable, especially among unreached communities.

STATEMENT OF FAITH

JLI believes in and owes allegiance to the following Doctrinal affirmations:

- **Bible:** The sixty-six canonical books of the Bible as verbally and plenary inspired and infallible Words of God.
- **God:** There is One personal God eternally existent in a trinity of persons - the Father, Son and Holy Spirit, who are active in the work of creation, providence and redemption.
- **Jesus Christ:** Jesus Christ is fully God and fully human, who was born of the Virgin Mary, died on the cross as the substitutionary sacrifice for the sins of the world, arose from the dead, and ascended into heaven from where He will return with power and glory to judge humankind.

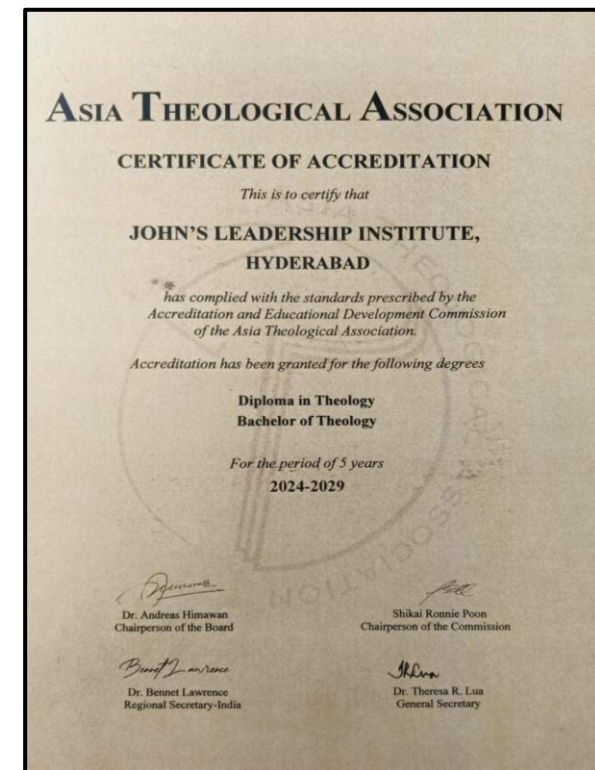

- **Holy Spirit:** The Holy Spirit is God who convicts and regenerates the believers by indwelling in them. He also enables the believers to live a holy life, to witness and work for the Lord Jesus Christ and to serve responsibly in the contemporary world. We believe in the Gifts of the Holy Spirit and the fruit of the Holy Spirit.
- **Man:** God created the humans, both male and female, in His image and likeness. However, due to their transgression whole human race became sinners by nature and by choice and is under God's judgment. Only Belief in the death of Jesus is the basis through which one could be saved.

Cleanliness and Appearance

- While the College provides service staff, students are responsible for maintaining cleanliness in their surroundings.
- Students are expected to must maintain personal hygiene and observe modesty in dress and grooming at all times. Inappropriate appearance may result in withdrawal of institutional privileges.

Language

- The College follows a bilingual system. English is the primary medium for academic and official communication, while the use of the regional language is permitted in appropriate contexts.
- Students are encouraged to use English within the campus to develop proficiency; however, respectful use of the approved regional language is allowed.

Practical Ministry

- Practical ministry is a compulsory component of the College program. Students may participate in approved local church ministries only with prior permission from the Director.

JLI LIBRARY

Welcome to John's Leadership Institute (JLI) Library!

JLI Library is the backbone of the educational system in JLI, as this is the place where many students deepen their knowledge through reading books and through research. JLI Library supports academic and ministerial training with **over 11,000 theological volumes** and a total collection of **more than 35,000 books**, along with access to **e-library resources**. JLI library has a strong base in Theology, besides ample resources in Biblical Studies, Religion, Church History, Counselling, Mission, and various other concentrations.

Logos Library has a digitally computerized Lab with internet connectivity. Easy access to any research material in the library is made possible through the **Koha software** search, which offers a simple keyword-focused search interface to the catalogue. We strive to stay up to date and to meet the research needs of students and faculty in the field of theological education.
